

SCRUB UP BEAUTIFULLY with Spiezia

Spiezia Organics proudly present their new addition – **100% organic Lemongrass and Marigold Body Scrub**. Specially selected organic oils and butters smooth, moisturise and protect the skin while three different exfoliating agents slough, buff and polish the skin. Easy to use, the scrub smoothes over the skin beautifully, releasing the heavenly light and refreshing fragrance of lemongrass and marigolds – the same as Spiezia's award winning soap.

'Made for Life' is the Spiezia philosophy and all the ingredients have been carefully sourced to benefit both the consumer and the environment and a little goes a long way.

- 100% organic palm oil / wheatgerm oil – naturally high in tocotrienols and carotenoids (vitamins A and E) which offer the skin protection against the harmful effects of free radicals
- 100% organic cocoa butter – wonderfully moisturising and soft to smooth the scrub all over the skin
- 100% organic extra virgin olive oil / sunflower oil – combined to mirror the skin's natural sebum. Protective and moisturising to facilitate the absorption of nutrients from product to skin.
- 100% organic calendula extract and lemongrass oil – work synergistically to target and soothe dry skin and protect newly exposed skin cells
- 100% organic golden castor sugar – actions the top level sloughing of excess and dry skin cells
- 100% organic dark brown sugar – secondary exfoliation to buff and clean away dry skin cells
- 100% organic calendula petals – actions the final soft, finishing polish
